## THE SOCIAL WORLD

Comings and Goings of Norfolk Society During the Past Week.

### GOVERNOR AND LEGISLATURE PRESENT

At the Marriage of Rev. Mr. Stengle and Miss Bland—Reception to the Governor—Mr. McCallough's Supper—Little Folk's Jap Party—Personal Mention.

Ash Wednesday put a decided stop to all social gaiety so far as elaborate functions are concerned, but those other little and more enjoyable affairs will, of course, continue, albeit nothing may be heard of them. Meantime the erstwhile belle, with down-cast eyes and soberest mien, will mend her way to church, prayer book in hand, daily, and the rest will do her good, too. Even people who belong to those denominations which do not observe Lent say that the month and more of rest, after the whirl, is most beneficial physically, and for that reason they are thankful for the custom.

Misses Lucy and Empsie Pegram, of Richmond, are the guests of their aunt, Mrs. Blackhall, in Dute street.

Mr. Robert Pegram, of Richmond, is in the city.

Mr. J. Hugh Henry is in Newbern, N. C., on a short trip.

Mr. C. T. Richardson, of the Washington Post, was in the city last week.

Mrs. John N. Vaughn, accompanied by Misses Mabel and Annie Vaughn, left for Baltimore Thursday evening.

Miss Saunders, one of Baltimore's most charming belles, is in the city, the guest of Col. Walter H. Taylor's family, in York street.

Miss Booth, of Williamsburg, is the guest of Miss Lella Garnett, in Charlotte street.

Miss Mary Dobie will go to Baltimore tomorrow. She will be away some two weeks.

Miss Annie Smith left for Baltimore Wednesday evening. She will be gone some ten days.

Rev. Dr. and Mrs. Carl E. Grammer and family, formerly of Alexandria, have arrived in the city and taken up their residence at Christ church rectory, in Dute street. Dr. Grammer preaches the first sermon of his rectorship at Christ church this morning.

Mr. A. Stewart Appleton and Mrs. Appleton, of New York, are the guests of Mr. and Mrs. E. J. Griffith, in Dute street. Mr. Appleton is a large publisher and a distinguished literary man.

Mr. Frank W. McCullough gave a delightful bowling party, followed by a handsome supper, to a party of about twenty of his friends at the Country Club last Thursday night. Among the guests were Miss Saunders, of Baltimore; Miss Pattle Taylor, Miss Spitzer, of Wytheville; Miss Booth, of Williamsburg; Miss Bowdoin, Miss Mary Taylor, Miss Garnett, Miss Estelle Taylor, of Baltimore; Miss Sallie Walker, Miss Craighill, of Lynchburg; Miss Nan Ramsey, Messrs. P. W. McCullough, J. Saunders Taylor, R. C. Taylor, Jr., N. M. Osborne, Taylor Gwathney, Hugh Whitehead, Frank Taylor, Robert F. Baldwin, Thomas Tanner.

Miss Estelle Taylor, of Baltimore, is the guest of Mrs. Key Compton, in Freemason street.

Miss Blanche Hecht, the accomplished daughter of Mr. and Mrs. Jacob Hecht, who has been home on a two weeks' enjoyable vacation, left yesterday for New England Conservatory, Boston much to the regret of her many friends.

One of the most beautiful children's parties seen here this season was the Japanese party given by Miss Ann Lauce Nichols to about fifty of her little friends Friday night at her parents' residence, in York street. The little folk were all becomingly attired in flowing Japanese robes, and with their hair dressed after the latest mode obtaining in the Mikado's kingdom, they presented a picture as strikingly beautiful as has ever been seen of children's grace and beauty. The little hostess entertained her guests beautifully. She was assisted in receiving her guests by her mother and Miss Ethel Hardy, who also wore Japanese costumes.

The supper was perfectly served. The decorations were in palms, ferns and smilax. Altogether the affair was a beautiful one and passed off without a marvellous incident.

Wednesday afternoon, at Armstrong Memorial Presbyterian church, Berkeley, at 5 o'clock, Miss Marian Stewart, of Berkeley, became the bride of Rev. Charles L. Stengle, chaplain of the House of Delegates of Delaware. The best man was the Governor of Delaware, and the chaplain of the Senate of that State assisted in the ceremony. The officers of government and legislators of Delaware were the guests of honor. Mr. T. P. Dunn, of Dover, Del.; Mr. George E. Stengle, brother of the groom, of Port Deposit, Md.; Mr. J. Francis Parks and Mr. Harry E. Roane, the last two of Berkeley, were the ushers.

The maid of honor was Mrs. H. V. Baldwin, of Farmville, sister of the groom. The ceremony was performed by Rev. W. A. Shyemaker, pastor of the church, assisted by Rev. Mr. Revell, chaplain of the Delaware Senate.

A reception was tendered Governor Tunnell in the afternoon of Wednesday. A salute was fired in his honor by the Norfolk Light Artillery Blues.

## A CALL.

Norfolk, Va., March 5, 1898.  
To the Pastors, Churches and Citizens of Norfolk, Portsmouth and Berkley:  
As has been announced, the Southern Baptist convention will meet in Norfolk May 6th, to continue five days. It is one of the largest religious bodies in the world, consisting of representatives of two million and a half of Baptists, extending from Maryland to Texas, and from Virginia to the Indian Territory. There will be present, we think, about nine hundred delegates, and they will be picked and representative men, ministers and laymen. The Baptist community will tax itself to its utmost to provide homes for these delegates during their stay, but we shall appreciate the assistance of brethren of the other denominations, and of our hospitable citizens generally, in entertaining this great number. We need not suggest that the occasion will be one of great interest, religiously and otherwise. In addition to the delegates there will probably be an equal number of visitors, who will pay their own way at hotels and boarding-houses, and while here all will become acquainted with the unrivaled advantages offered by our marine metropolis as a place for residence and business. Cards will be furnished by the undersigned to all who desire them, on which may be written the names of entertainers, the number and location of their homes, and the number of guests that will be accommodated. It is desired that these cards shall be filled at once and placed in the hands of W. N. Grubb, secretary.

WM. T. ANDERSON,  
Chairman General Committee.  
M. WINSTON,  
Chairman Com. on Homes.

### ROANOKE COLLEGE.

The trustees of Roanoke College, at a meeting held on the 3d instant, decided upon a plan of conferring the degree of A. M. in course. A Bachelor of Arts, after a year's work at the college in such elective studies as he did not pursue or complete for that degree, may become a candidate for the degree of Master of Arts. Special work in English and a Thesis will also be required. For this higher degree a grade of not less than 80 in any study and a general average of not less than 85 per cent. will be required.

The requirement that a candidate for the degree of A. M. must not fall below 75 in any study, and after this year he will be required to make a general average grade of not less than 80 per cent. in order to obtain that degree.

The three vacancies in the board of trustees were filled by the election of Rev. Carl E. Grammer, D. D., of Norfolk, Va.; Ambrose L. Henkel, of New Market, Va.; and Joseph D. Logan, Esq., of Union, W. Va. It is understood that these gentlemen will serve.

### MR. RAMSAY BETTER.

Ramsay, a prominent merchant and farmer residing in Chesapeake, Nansemond county, Va. Two sisters and his mother-in-law are at the bedside of the injured man rendering all possible attention for his welfare.

## THE TAX ON CLUBS

Text of the Bill Which Recently Passed the Virginia Legislature.

### AFFECTS ALL INSTITUTIONS OF THIS SORT

One Dollar Per Member for all Clubs—A Scheme to Increase the Revenue and Lessen the Evil—Two Birds With One Stone—Act to Be in Force After April 30th.

The text of the new bill taxing clubs is as follows:

1. Be it enacted by the General Assembly of Virginia, That any corporation chartered and organized as a social club not now subject to the license laws of this State which shall desire to keep on hand at their clubhouse or other place of meeting wines, ardent spirits, malt liquors, or any mixture thereof, alcoholic bitters or bitters containing alcohol, or fruits preserved in ardent spirits, or given away to the members of such corporation, shall on or before the 30th day of April in each year pay to the Treasurer of the county or corporation wherein the clubhouse or other place of meeting of such corporation is located a tax equal to one dollar for every person who has been a member of such corporation during the preceding year, but the tax shall be one-half of said amount when malt liquors only are sold or given away at such clubs. Unless and until the said tax has been paid any person concerned in keeping such wines, ardent spirits, malt liquors, or any mixture thereof, alcoholic bitters, bitters containing alcohol, or fruits preserved in ardent spirits, and selling, directly or indirectly, or giving away the same, to any member or members of such corporation shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than \$20, or, in the discretion of the court or jury trying the case, imprisoned not more than six months, or both.

2. Any such corporation organized after the passage of this act, desiring to keep wines, ardent spirits, malt liquors, or any mixture thereof, alcoholic bitters, or bitters containing alcohol, or fruits preserved in ardent spirits, at their clubhouse, or other place of meeting, to be sold directly or indirectly, or given away to the members of such corporation, shall, before doing so, pay a tax equal to a proportionate part of the above named amounts, respectively, for each member of the corporation to time when the organization of such corporation and the whole year, and such corporation shall thereafter and for the succeeding years pay the annual tax prescribed in the foregoing section.

3. Any corporation chartered and organized as a social club and paying the tax above described, shall be entitled to distribute and dispense wines, ardent spirits, malt liquors, or any mixture thereof, alcoholic bitters, or bitters containing alcohol, or fruits preserved in ardent spirits, or malt liquors only, as the case may be, to and among its members, without obtaining any license, or paying any other or further tax, either State municipal or county, for the said privilege than is above described; provided, that the said corporation is organized and conducted as a bona fide social club; and provided further, that no person or corporation shall be entitled by the payment of the tax above prescribed to conduct the business of a wholesale or retail liquor dealer, for which a license is required under the existing laws of this State; provided, however, no such club shall hereafter be permitted or chartered in any county or district where local option prevails.

4. Upon complaint of any person that any such corporation so chartered as a social club is being conducted, or has been conducted, for the purpose of violating or evading the laws of this State regulating the licensing and sale of liquors, and after service of such complaint on such corporation at least ten days before the hearing of said complaint the court of the county or corporation wherein is located its place of business or meeting shall inquire into the truth of such complaint; and if the said court or judges in vacation shall adjudge that the said corporation is being conducted or has been conducted for the purpose of violating or evading the laws of this State regulating the licensing and sale of liquors, the chartered rights and franchises of said corporation shall cease and be void without any further proceeding; and the said corporation and all persons concerned in the violation or evasion of said law shall be subject to the penalties prescribed therein, and in case of an appeal from said judgment the said corporation shall not, during the pendency of such appeal, sell or give away any wines, ardent spirits, malt liquors, or any mixture thereof, alcoholic bitters or bitters containing alcohol, or fruits preserved in ardent spirits, under a penalty equal to that provided in the first section of this act.

5. The word members wherever used in this act shall not apply to any person under the age of 21 years.

6. Provided, however, that no corporation chartered and organized as a social club shall be deemed to be such and entitled to the privileges of this act, unless annually on the first day of the April term of the County or Corporation Court of the county or corporation wherein such club is, the president or secretary of such club shall exhibit in open court a list of the active members of such club on that day, and shall satisfy the court that such membership exceeds thirty bona fide members and that such organization is a bona fide social club and not an organization created for the purpose of violating or evading the laws of this State regulating the licensing and sale of liquors.

7. This act shall be in force on and after April 30th, 1898.

### The Greater

Includes the less. Hood's Sarsaparilla cures hip disease and scrofula sores and it may be depended upon to cure boils and pimples and humors of all kinds.

HOOD'S PILLS are the favorite family cathartic. Cure sick headache, break up a cold.

No one doubts but what we would have an easy time giving Spain what she deserves, and likewise no one doubts that Neda and Silverline, manufactured by Smith Mill company, are the best flours made. Ask your grocer for them.
